**T**

*The past two months in the residence have been filled with unforgettable moments and joyful celebrations. From the cycling trip to the Okbla Bird Sanctuary, where students embraced adventure and nature, to the much-awaited DLF outing, which was a perfect escape into the lively mall atmosphere, every event added to the boarding experience. The festive spirit was in full swing with the Arts & Crafts Christmas Special and the Christmas Carnival. A cozy bonfire and momo party brought warmth and laughter before the holidays, while the Republic Day celebrations filled the air with patriotism. Moments like these continue to strengthen the bonds within the boarding house, creating new cherished memories.*

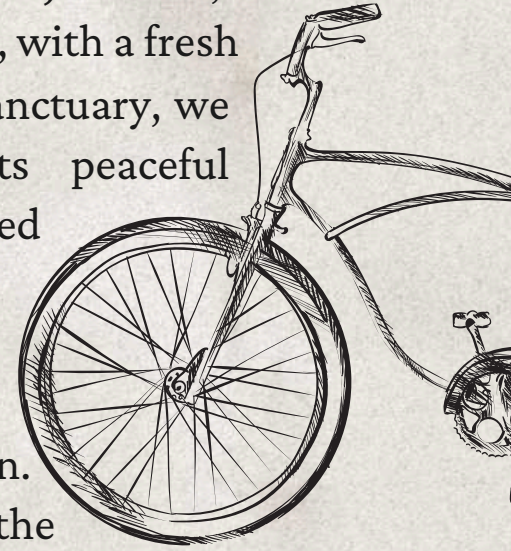

## OKHLA - CYCLING TRIP

The cycling trip is a much-loved tradition at Genesis Boarding, continuing strong for a few years now. Every year, students gather early at 5:00 AM, collect their cycles, and embark on an exciting ride to the Okhla Bird Sanctuary. This year's journey on **December 7th, 2024**, covered approximately 10 kilometers round trip, with a fresh

route to keep the experience unique. On reaching the sanctuary, we explored the grassland area, walking through its peaceful surroundings and enjoying the view from a small, mounted hut. Toward the end, everyone relaxed with breakfast amidst the tranquil atmosphere before cycling back to school. The trip is an event students look forward to all year, offering a perfect balance of physical activity and fun. Each outing brings new memories, and we can't wait for the next one!

## OPEN MIC

The open mic at the hostel on **7th December** was a spirited exhibition of humor and skill, and it provided a much-needed break from the pressures of school. The girl hostel sang a well-known rhyme as well "Twinkle Little Star," turning the children's song into a time of happiness and core memories. While some boys performed stand-up comedy and poetry, others strummed guitars and filled the air with music. Open mic created a place for the celebration of skills related to expressing ourselves.

For the hostellers, this open mic created core memories and connected on a personal level. It was a reminder that life is beyond textbooks. The event strengthened bonds and created lasting impressions that would resonate long after their time in the hostellers.

## DLF-MALL OUTING

After weeks of anticipation, the boarding students, along with their house parents, finally set off for a much-awaited visit to DLF Mall on **December 8th**. The moment they arrived, excitement buzzed through the air as everyone quickly split into groups, eager to explore.

Laughter echoed distinctly through the mall as students tried on outfits, debated over food choices, and clicked endless pictures to capture the day. By the time they returned, their hands were full of shopping bags, their stomachs full of good food, and their hearts full of memories. The day left everyone with cherished moments and a longing for the next outing.

## ***ARTS & CRAFT CHRISTMAS SPECIAL***

On **December 14th**, just days before winter break, the students dove into a festive, hands-on activity that brought the holiday spirit alive. In a special Christmas edition of the art and craft class, they transformed colored paper and cotton balls into cheerful, dancing Santa Clauses.

Guided by Pratibha Ma'am, the junior students, along with a few enthusiastic seniors and even some house parents, joined in the creativity. As the art room lined with adorable Santas, the joy of Christmas came early this year, with glue-covered fingers, bright red paper, and the shared excitement of crafting something magical together.

## ***BONFIRE & MOMO PARTY***

On **December 19th**, as winter's chill embraced the air, the hostel grounds buzzed with warmth and cheer during a bonfire and momo party organized just before winter vacations. The crackling flames of the bonfire lit up the evening, providing much-needed comfort against the cold, while a lively music set the stage for endless dancing and joy. The highlight of the night were the teaming hot plates of momos that had everyone lining up for seconds and thirds! For hostellers, it was a welcome break from the routine of school meals, relishing the savory flavors of their favorite dumplings under the starry sky.

This cozy event was a celebration of togetherness, laughter, and shared memories. Huddled around the fire, dancing with joy, singing along to familiar tunes, and savoring every bite of momos.

## ***BOARDING STUDENTS GIVE A GRAND START TO THEIR VACATIONS BY EMBRACING THE CHRISTMAS SPIRIT!***

On **December 20th**, their last day before the winter break, the hostellers gathered for their regular morning fall-in, joined by the IB Principal, adding to the importance of the assembly. This day included a special performance by the choir, who sang a selection of Christmas carols. Their performance brought a festive energy to the gathering and helped set the holiday spirit among everyone present.

The IB Principal addressed the students briefly, emphasizing the importance of community and togetherness during this season. This was followed by announcements about upcoming events and reminders for the day. The carols created a warm and joyful atmosphere, helping the students embrace the festive vibe and get into the spirit of the upcoming holiday season.

## BOARDERS STEAL THE SPOTLIGHT AT CHRISTMAS CARNIVAL WITH FESTIVE FOOTBALL CHALLENGE

## CHRISTMAS CARNIVAL

As the winter break approached and the Christmas spirit filled the air, Genesis Global School came alive with festive cheer on **December 21st**, for its highly anticipated Christmas Carnival. The usually vast and empty football field had undergone a magical transformation, turning into a bustling festival ground adorned with twinkling fairy lights, colorful streamers, and cheerful holiday décor.

From thrilling games to tempting food stalls and quirky little stores, there was something for everyone. Each class ran its own themed stall, adding a creative flair to the event, but the boarding house stall truly stole the show with their special football challenge, drawing a steady crowd of eager participants throughout the evening.

The game was simple but addictive-players had three chances to shoot a football through hanging tires on a goalpost. Those who managed to score walked away with a prize, handpicked from the collection generously donated by the boarding residents. House parents took turns supervising the stall, cheering on excited participants and joining in on the festive fun. **What a way to wrap up the year!**

## REPUBLIC DAY

On **26th January, 2025**, Republic Day was celebrated with great enthusiasm at the boarding house, bringing everyone together to honor the spirit of our nation. The day began with the hoisting of the national flag, filling the air with pride and patriotism. This was followed by a series of heartfelt performances, including speeches, poems, choir singing, and engaging anchoring by our talented students.

As we reflected on the significance of the day, patriotic beats and melodies added to the celebratory mood, making the event even more special. To wrap up the festivities, everyone enjoyed a sweet treat of laddoos and patties, making the occasion both memorable and meaningful. The celebration was a perfect blend of learning, appreciation, and joy, reminding us all of the importance of this day in our nation's history.
